

JAMESTOWN CENTENARY OF SECONDARY EDUCATION

**Friday 14th, Saturday 15th
and Sunday 16th May, 2010**

Class Reunions

Our committee is contacting several former students from each of the year groups, using admission registers; so that they can make their classmates aware of our Centenary Weekend.

We encourage you to contact them directly if you would like to organise or attend a class reunion or get together, at any time during the weekend.

Contact person details for particular year groups are available from the Jamestown Community School.

If required, Jamestown Community School will:

- Publish your reunion details on the Jamestown Community School website & the **www.JamestownCOSE.com.au** website.
- Make a classroom available for use by the reunion members

Jamestown Community School, Humphris Terrace, Jamestown, S.A. 5491
