

Jamestown Centenary of Secondary Education

To celebrate 100 years of secondary education in Jamestown, we are creating a lasting memory, which will be enjoyed for years to come. All past, present and future students, families, staff and businesses can have their name go down in our history.

Your donation entitles you to have your name engraved into a brick/paver as a lasting record of your valued support. The paver will be permanently installed in a designated area in the **Jamestown Community School** grounds; for all to see, for future generations.
